

BrumYODO Team Member Recruitment

About Us

BrumYODO brings together people from different walks of life to organise activities and facilitate conversations which encourage open and honest discussion about death and dying.

Founded in 2015 and now a community interest company, BrumYODO holds the annual festival, *A Matter of Life and Death* which takes place in May, as part of Dying Matters week.

The team is a friendly group of local people who plan, organise, support and run these cultural events and discussions – working together with diverse communities, organisations and individuals to have better conversations about death and dying.

More information about BrumYODO can be found on our website www.brummyodo.org.uk
